

Angel Network 2018

The mission of Alexander Youth Network is to provide quality, professional treatment to children; irreplaceable components of such therapy are love, affection, and compassion. Each year, Alexander serves over 8,000 children with, or at high risk of, serious emotional and behavioral problems often induced by some form of trauma.

While we are reminded of our many blessings around the holidays, this time of year can feel very lonely and hopeless for the kids in Alexander's programs who cannot be at home or have no home to go to. As a community, we are called to help those in need, especially our children.

Angel Network, Alexander's largest annual in-kind gift collection, needs your help. Through this wonderfully rewarding holiday project, businesses, organizations, clubs and individuals have an opportunity to help make the season a little brighter for a child in need. Toys, games and books are often on the holiday wish lists from our kids, but we also request donations of necessities such as winter jackets, boots, and sweaters. Through your generosity and kindness, the kids of Alexander will have a reason to smile this winter.
