

ALEXANDER YOUTH NETWORK Young Affiliates

The Alexander Youth Network Young Affiliates are a diverse group of young professionals who care about children's mental health. Young Affiliates promote and support the mission of Alexander Youth Network, volunteer on campus, and enthusiastically share their passion for the organization in an effort to engage others in the community. Join us for our events at our PRTF this year!

Specific dates and times TBD

Campus tours are an easy and interactive way to learn more about Alexander. Join us for a free one-hour tour at our main campus.

If you want to learn more about the impact we're making on children in North Carolina, consider joining us at our annual fundraiser, Celebrating Our Kids, on May 5th.
